# pH PRO AMINO Silk Spray

## Professional Hair Heat Protection

pH PRO AMINO Silk Spray is a new light-weight formulation that detangles, smooths, and softens the hair fiber, for a better hair ironing experience.

pH PRO AMINO SILK SPRAY is a High-Quality hair spray that protects the hair fiber from intensive hot procedures such as during hair straightening and brushing techniques, while adding a protective and shining silicone coating.

### DIRECTIONS FOR USE

- 1) Spray pH PRO AMINO Silk Spray on hair, from roots to ends.
- 2) Comb through once and wait for at least 5 to 10 minutes.
- 3) Dry hair with any drying / ironing appliance.
